Department of Urban and Rural Planning, Beijing Architectural University

'Urban Planning program in Gengdan Institute is highly compatible with the key work of the current industry reform. Graduates could get international competitiveness.'

Li Ling LAN

Director of Space Department, Comprehensive Transportation Planning Institute of Urban Center, National Development and Reform Commission

'Orientation of Urban Planning program in Gengdan Institute is ahead of the Chinese planning industry, with a very high forward-looking. It could achieve mode of education leading industry.'

Isaac Lawless

Partner of John Thompson

'It affirms that internationalization is essential for Urban Planning. Especially the development strategy focus on the deep integration of localization and internationalization.'

Panu Martti Lehtovuori

Dean of school, School of Architecture, Tampere University of Technology, Finland

'It is indeed a huge challenge of delivering modules all through English in China, and glad to see BGD has achieved a great success on this. In this way, language wouldn't be the gap for students all over the world to study in BGD'
